Dear Federal Election Commission:

At the last moment, Jan Schneider was persuaded again to enter the race in the Florida 13<sup>th</sup> Congressional District. Accordingly, having qualified on May 1, 2008, we now need to update our Federal Election Commission filings. The candidate number and the names and numbers of the three committees in question are set forth above.

Basically, the intention is to eliminate the first two committees, Schneider for Congress and Friends of Jan Schneider. We would also like to change the name of the third committee to Friends of Jan Schneider 2008. More specifically:

Schneider for Congress: To repeat, we would like to terminate Schneider for Congress, which was established in the 2002 election cycle. The only reason for keeping this committee in existence this long was a possible claim as to which the statute of limitations has now indisputably expired (see MUR 5350). This committee has had no activity to report for more than two years. The ending cash on hand of \$976 has been transferred to Friends of Jan Schneider (see below). The remaining debt owed by the committee, \$100,009, is all from candidate loans, and we would transfer them to Friends of Jan Schneider 2008 (see below).

Friends of Jan Schneider. We would also like to terminate Friends of Jan Schneider. The cash on hand at the end of the current reporting cycle will be transferred to Friends of Jan Schneider 2008 (see below). The outstanding debt of \$24,129 is, again, all candidate loans, which would be similarly transferred. In addition, our reports show a debt owed to this committee of \$629; since we cannot figure out what that is for, and it is ipso facto uncollectible, we propose simply to wipe out the item.

Friends of Jan Schneider 2008. Recently, we formed a committee called Jan Schneider 2008, whose name we would like to change to Friends of Jan Schneider 2008. Any remaining funds and the candidate loans from the two related committees being terminated would be transferred to this new one, as explained above.
